Petra

You may not remember reading about the city of Petra in Scripture because it was called Bozrah in Genesis 36:33 and 1 Chronicles 1:44, and Sela in 2 Kings 14:7. Today, it is part of the modern day city of Buseira. Petra is located in the heart of Mount Seir, halfway between the Dead Sea and the Gulf of Aqaba. What makes Petra unique is its natural defense highlighted by the Petra Pass, a 1.25 mile narrow passage that is the only corridor leading in the city. The passage is flanked with cliff walls reaching 400 feet. The narrow passage and natural defense protects Petra from any invasion.

Wondering what this marvel of the world has to do with you? In the same way Petra offers a physical defense to those who reside within its protection the church offers spiritual defense to those who seek refuge within its membership. God has specifically designed the local church to care and protect the spiritual live of His children. Since this is the Lord's program to provide and protect your spiritual life from danger. Lexington Baptist Church can extend this blessing to you!

*For this reason we also, since the day we heard it, do not cease to pray for you, and to ask that you may be filled with the knowledge of His will in all wisdom and spiritual understanding; that you may walk worthy of the Lord, fully pleasing Him, being fruitful in every good work and increasing in the knowledge of God;
